

Charoset

Charoset is VERY forgiving, so make this according to your taste and available ingredients! Be sure to make this at least 1 day prior to Pesach.

1 c kosher for Pesach wine, 2-3 finely diced apples (can be a mix of different kinds), squeeze of lemon, 1/2 c finely diced dried fruit (can use anything or even mix different fruits), 1/2 c dried coconut, 1/4 c chopped nuts, opt. dash of cinnamon, nutmeg, and/or clove

Mix all the ingredients by hand for a chunky texture or pulse in the food processor
